

They Represent You 2017-2018: Update

- **Board of Elections corrections p.42**
- **Contact Information for elected officials who took office in January 2018**

The second update will be issued after the April 2018 Special Elections.

Please note two errata on page 42 of They Represent You:

- 1) This paragraph should be inserted under the line ending "...if you change your name or address.":

If you change your address, or party enrollment, the BOE will send you an Approval Notice or a Transfer Notice. The required Annual August mailing includes a "Peel-Off" card that includes your party enrollment, Election District, Assembly District, Congressional District, State Senatorial District, City Council District, and Civil Court District.

- 2) On the right side of the page, under "Voting," the paragraph should be replaced by:

The Board of Elections is required by NY State Election Law to "send by mail...between August 1st and August 5th of each year," to each active registered voter, a communication notifying voters of their Election District and poll site location for both the Primary and General Elections.
