

Thank you for celebrating Founders Day with Us!

EVENT SELLS OUT

The LWWNYC and friends showed up in force for this history-laden trolley tour at Woodlawn Cemetery.

Gusty winds made the walk challenging but everyone enjoyed the docent led visits to the monuments.

CELEBRATED HISTORY

The tour celebrated the suffragists who fought for the rights that women hold today.

The tour visited famous suffragists including Elizabeth Cady Stanton, Alva Belmont, Katherine Duer Mackay and Carrie Chapman Catt.

HIGHLIGHTS INCLUDED

Gladys Krasner spoke about the need to pass the Equal Rights Amendment (ERA). She provided historical context for this fight, which goes back to Seneca Falls in 1848, where Elizabeth Cady Stanton gave her speech, *A Declaration of Sentiments and Resolutions*.

SUCCESSFUL FRIENDRAISER

We made new friends and forged ties with new organizations. We agree with Pat Manning, who shared earlier in the week:

“This is a great time to be involved the League. Join us to cover the phone lines, answering questions about the primary. Join us in September to hand out thousands of U.S. Constitutions in low voter turnout districts. Volunteer now and be a part of all the activity leading up to November 2024.”
